JUDGMENT

The contention of the petitioner in this writ petition is that despite the fact that the second respondent society is continuously running at heavy loss and the accumulated loss has come to a crore of rupees, a committee in power is taking steps to appoint staff incurring further wasteful expenditure. In the above circumstances, the petitioner has filed Ext.P1 petition before the first respondent and seeks a direction to the first respondent to consider and pass appropriate orders in accordance with law on Ext.P1.

2. I have heard the counsel for the petitioner, the learned government pleader and the counsel appearing for the second respondent society.

In the facts and circumstances of the case, there would be a direction to the first respondent to consider and pass appropriate orders on Ext.P1 in accordance with law applicable as expeditiously as possible, at any rate, within two months from the date of receipt of a copy of this judgment. I make it clear that I have not expressed any opinion on the merits of any matter which have been referred to in the writ petition or in Ext.P1. Appointment of staff if any, would be subject to the result of orders to be passed by the first respondent on Ext.P1.
